

2012 Miss Apple Blossom Festival Scholarship Program

(A local preliminary competition to Miss Virginia & Miss America Scholarship Programs)

Dear Contestant,

On behalf of the Miss Apple Blossom Festival Pageant, I'm inviting you to become one of our contestants for the 2012 pageant. We hope to be offering over \$9000.00 in scholarships for our top five winners, along with numerous other gifts and prizes.

Please type your information on the attached Local Contract, fact sheet & eligibility forms. The forms must be typed and cannot be altered in any way – this is per Miss Virginia guidelines. The Contract must be notarized and signed. If you don't have it notarized by rehearsal evening, we have someone at the rehearsal that can notarize it.

With regards to the Contract and eligibility information, please read the eligibility forms very carefully. In order to compete, you must choose eligibility in one of the 3 areas on the form – these are not our rules, but regulations from the Miss America Organization. Please send me a copy of your birth certificate with a seal (NOT a birth registration). I also need a copy of your driver's license. If you are proving eligibility by residency and want to use a VA driver's license as a proof, be sure that the issue date of your license is dated 6 months prior to the pageant. If you just renewed your license, just have the DMV issue you a form or letter stating that you have had a VA license before renewal.

If you haven't done so already, please send me a headshot that you'd like to be used in the newspaper and program book. If you can't email it to me, please send me 3 copies of a black & white headshot with the application. We can use color prints, but black & white reproduce better at the printers.

A platform statement (essay) on an issue that you would address as Miss Apple Blossom Festival (and possibly Miss Virginia) is required. It is an issue that is important to you, a subject that has substance and value, and one that you feel you can influence. The platform is to be discussed in no more than 300 words and double-spaced. Your name should be at the top of the page and the topic should be identified with a statement title. Remember to tell how you can make a difference with this topic.

DEADLINE - All required forms and photos should be emailed to me at missappleblossom@yahoo.com, OR they can be mailed to my home address – 1914 Green Spring Road, Winchester VA 22603 – no later than October 24th, 2011. I cannot stress the importance of getting all these documents and required eligibility paperwork to me by the October 24th date, especially if you want your photo in the program book and newspaper! We cannot be held responsible for your photo not appearing in the book/paper if I have not received the photos by October 24th. Thank you for your understanding on this matter.

We consider the receipt of your application as your commitment to competing to our pageant. Therefore, the following will occur once we receive your paperwork:

- 1.) A pageant sponsor will be secured for you. The area merchants are paying to support you and we do expect you to fulfill your obligation as being their representative. It really is quite embarrassing to have someone drop out at the last moment, so please be sure you can compete. We will ask for a note of apology to the sponsor should this occur.
- 2.) A chaperone/hostess will be calling you prior to the pageant. This lady/family will open their home to you and will help you pageant preparations. Every contestant will stay with her hostess family and not in a hotel. They will see that you are where you need to be on time during pageant weekend. Please return their calls/emails promptly.

The new Miss Apple Blossom will come live with us for a week sometime prior to the Miss Virginia pageant in order to prepare for the state competition. This enables you to obtain concentrated and focused attention towards the upcoming state pageant.

If you currently hold another Miss America Preliminary title, I will be glad to call your sponsor in order to grant you permission to participate in our pageant. Should you win the Miss Apple Blossom title, you will have to relinquish your previous title. However, you will be allowed to attend your other pageant, but you must use out title and not your former title. This is in accordance to Miss America guidelines, and they strongly encourage your participation in as many pageants as you desire to compete after the state pageant is completed.

The new Miss Apple Blossom Festival is the official hostess of the Shenandoah Apple Blossom Festival, held in Winchester from May 1 – 5, 2012. This is a mandatory appearance! You will also be required to attend the Bloomin' Wine and Arts Festival, usually held 2 weeks prior to the Festival. We will provide you with a list of required appearances the day after you win this title.

Also, please note that if you are a finalist and are awarded any scholarship money the scholarship winnings expire on midnight the day before the selection of Miss Apple Blossom Festival 2013. If you do not request your scholarship winnings prior to that day, you will forfeit your scholarship winnings.

I hope you will read over the application, complete and mail all necessary materials. If you have any questions, please feel free to call or email me. I need to know by October 24th if you are planning on being a contestant. An email or phone call would be appreciated along with the Miss Apple Blossom information sheet that is found with the initial letter.

Sincerely,

Bridget Aikens, Contestant Chairman
